

TD INVASION RED ALERT TOURNAMENT

THE SUPERSTARS OF TIBERIAN DAWN INVADE RED ALERT

ORGANISER	JLGAZZA94	GAME	Command & Conquer: Red Alert
FORMAT	Double Elimination	START	14 September 2026 - 12:00 BST
STATUS	LIVE	PLAYERS	10

01 // TOURNAMENT FORMAT

The tournament uses a Winners Bracket and a Losers Bracket. A player must lose two matches to be eliminated, with the Grand Final handled under the special rule below. Because the field contains 10 players, some players receive a first-round bye.

All Winners Bracket and Losers Bracket matches are Best of 5 (Bo5). The Grand Final is Best of 7 (Bo7).

The player who reaches the Grand Final without previously losing a match starts the Grand Final 1-0 ahead. This is the advantage awarded for progressing through the Winners Bracket undefeated.

02 // MATCH SCHEDULING

The tournament starts on 14 September 2026, when the first-round draws are made. There is no fixed deadline by which an individual matchup must be played once opponents are known.

Once both players sit down to play their matchup, all games in that matchup must be completed in one sitting.

03 // HOSTING, MAP SELECTION AND SPAWNS

Use the standard Quickmatch rules when hosting. The tournament organiser states that these are the same hosting rules used for Tiberian Dawn.

- Game 1: use a coin toss to decide the first host and map selector.
- The player who does not receive host and map selection gets spawn-pick choice.
- After each game, rotate the roles: host and map selector and spawn picker alternate until the matchup is complete.

04 // IN-GAME RULES

There are no additional in-game restrictions. The event is intended as a fun Tiberian-Dawn-to-Red-Alert crossover, and all units, strategies and tactics are legal under the tournament rules.
